PRESENTS Trainings FOR Classroom Teachers

Making Student Growth Objectives (SGO'S) Work

For the past two years, educators in New Jersey have concentrated on the nuts and bolts of Student Growth Objectives. This workshop will explore the question of if and how SGO'S can be created so that they can be used to engage students in the right work and monitor their progress in a way that will truly help to improve instruction.

All participants will receive 2 hours of professional development credit. A buffet dinner will be served after the workshop.

Date: 10/1/15

Time: 4:00-6:00

**Place: Angelo's Fairmount Tavern 2300 Fairmount Avenue
Atlantic City**

Please complete, tear off and return to Marcia Genova at Atlantic City Education Association, 1125 Atlantic Avenue, Suite 512, Atlantic City, New Jersey 08401 no later than September 25th.
